

BRQG Spring 2024 Member Interest Survey

The BRQG Membership and Programming Committees created a Guild Member Interest Survey to assess members' current interests for the purpose of future programming for Guild meetings and workshops.

The survey was passed out and collected at April and May Guild meetings, the May workshop and was available to download from the May Guild online newsletter.

The survey included 27 choices of quilting topics, plus spaces for OTHER and COMMENTS. Thirteen (13) suggestions were listed in the other/comments sections and 7 members used different expressions, such as using a star, exclamation mark or checking the box multiple times to emphasize their vote on a specific topic. This enthusiasm was noted, but only counted as one vote for the topic.

Fifty-four percent (54%) of the membership responded (63 of the 116 members), which is considered an excellent response rate.

Below are the survey results. A asterisk (*) has been placed next to the count number for those that emphasized their interest using multiple marks. Comments include both the OTHER and COMMENTS sections.

Thank you for participating in this survey. Your input will definitely guide our Guild's programming in the future.

BRQG Spring 2024 Member Interest Survey Results

Topics that were emphasized with special markings:

Featherweight Maintenance, Hand Quilting, Landscape Art, Modern Quilting, Quilt Clothing, Ruler Work for Quilting, Wool Techniques.

Other comments:

Collage/Multi uses; Multi Media/collage; Quilt care for vintage quilts; English paper piecing by machine; Fabric printing/making Sue Cortese with a workshop; Hand dyeing fabric; Fabric preparation and cutting; Quilt supply basics- threads, needles, pins, scissors; Big stitch quilting; How to plan a quilt design-not piecing it; Thanks for all you do!; Very interested in those with interest in featherweights; Sustainable quilting, ie using old clothes.

BRQG Spring 2024 Member Interest Survey Results

Rank	Topic	Number of Votes
